	AUTHORIZED BY: Patricia Wallace, Assistant Director	
SUBJECT: Co-Enrollment		ADDENDA:

Purpose:

To co-enroll WIA participants into appropriate partner programs that will result in a benefit and/or enhanced access to further resources.

Responsibility of:

Program Supervisors and Career Guidance Specialists

Process Description:

Each WIA participant may be co-enrolled into any appropriate partner programs so they may be able to access and benefit by the services offered. This will be done as often as is appropriate in order to leverage resources and enhance services to the customer to ensure progress to reach the goal of self-sufficiency through employment. There should be regular communication between all programs to ensure the customer's needs are being met and duplication is not occurring.
